Foaming spray wand application

Non-Caustic & Non-hazardous formulation

Cuts through soils & grease

Outstanding performance

Captive spill-free system

Quick & effective

Colour coded labelling

CTR Foaming Degreaser

Use Instructions

Do not mix with anything except water. Product works faster when applied at 50 degrees.

1. Connect the foaming wand and cap adapter to the bottle.
2. Spray product onto food preparation or food cooking surface to be cleaned.
3. Allow product to penetrate baked-on grease deposits for 1-5 minutes depending on the thickness of the deposits. Do not let product dry on surface.
4. Wipe off dissolved and softened grease with a scrub pad or damp cloth.
5. Rinse with clean water.

Safety Information

Carefully read the Safety Data Sheet (SDS) before using this product. For your convenience, SDS's may be accessed via our web site at <https://www.ecolab.com>.
